10 March 1952

Lieutenant General Geoffrey Keyes  
Director  
Weapons Systems Evaluation Group  
Office of the Secretary of Defense  
Washington 25, D. C.

Dear General Keyes:

A study of the agriculture and crops of the USSR will be made by the Central Intelligence Agency in accordance with the oral discussions held by Dr. Allen of your office, Dr. Max F. Millikan and [REDACTED] of CIA, using the outline enclosed in your letter of 27 February 1952.

25X1A9a

The CIA target date for completion of the study is 15 April.

Thank you for your expression of appreciation of the contributions made by CIA in helping the Weapons Systems Evaluation Group achieve its goals. It is hoped that the subject study will further aid in your important contribution to the defense effort.

Sincerely,

SIGNED

LOFTUS E. BECKER  
Deputy Director/Intelligence
